

#### **Quality One Service Network 2023 Dealer Program**

All current and new members of the Quality One Service Network are eligible to participate in the following rebate for their purchases of U. S. Boiler products during the 2023 calendar year.

- 3.5% rebate on all Cast Iron Boilers
- 5% rebate on all Condensing Boilers

With the help of Quality One's Board, ROI Marketing will work with wholesalers to get the required sales reports generated and will calculate the earned rebate for each participating company and will submit required paperwork for payment in early 2024.
