Re: Rebate Agreement (“Agreement”)

Dear Susan:

Ferguson Enterprises, Inc. (“Ferguson”) strives to deliver superior levels of customer service at competitive prices to Quality One Group (“Company”). We appreciate your business and we are pleased to offer you an opportunity to participate in our **Preferred Distributor Rebate Program (“Program”)**.

The Program is available to customers that identify Ferguson as it Preferred Distributor of HVAC equipment, accessories and other mutually agreed upon items or services (collectively “Products”). In consideration and as an incentive for this designation, Ferguson offers rebates on Qualifying Purchases during the specified period. Below are the terms and conditions of rebates under the Program offered to Company for Qualifying Purchases made from 1/1/20 through 12/31/20 (“Program Year”).

1. Upon request, Ferguson will provide a monthly report in a mutually agreeable Excel format for all Products purchased from Ferguson locations. The amount of the rebate will be based on (please select)

Thresholds shown in the following table: The Rebate percentages will be applied incrementally. For example, Qualifying Purchases during the period of \$3,000,000 would yield a total rebate of \$90,000. Total purchases by Company from Ferguson must exceed \$1,500,000 during the Program Year as a prerequisite to receiving any rebate. An additional rebate of 0.5% will be issued for all Ferguson OnLine Sales (FOL) above \$918,000. This additional .5% kicker will start once FOL sales surpass \$918,000 (2019 Level). For example if Quality One FOL Sales reach \$2,600,000 as a group the Quality One Group would earn an additional \$8,410 rebate.

Threshold	Cap	Rebate Percentage
\$ -	\$1,500,000	0.25%
\$1,500,001	\$2,600,000	0.75%
\$2,600,001	\$3,000,000	3.00%
\$3,000,001	over	4.00%

Percentage of sales: The amount of the Rebate will be 2% of Qualifying Purchases. For example , Qualifying Purchases during the period of \$1,000,000 would yield a total rebate of \$20,000.

Sale of Specific Product(s): The amount of the Rebate will be \$1.00 per unit of the sale of the Product(s) defined as a Qualifying Purchase. For example, Qualifying Purchase of 10,000 units during the Program Year would yield a Rebate of \$10,000

2. "Qualifying Purchases" means all Product purchases, except those excluded in accordance with Section 3, net of returns, taxes and other cash discounts. Contactors performing services for Company must identify the specific job account for affiliation with the Program to be included in the Qualifying Purchases.
3. Ferguson reserves the right to exclude from Qualifying Purchases specifically identified Products, such as HVAC equipment and refrigerant gas, or specific transactions if special pricing is extended to meet highly competitive situations. Unless the parties agree otherwise, purchases from other Wolseley plc subsidiaries or affiliates are also excluded.
4. Ferguson will issue the Rebate to Company in the form of credit or check payable to Quality One Group no later than forty-five (45) days after the expiration of the Program Year or termination of the Program, whichever is applicable. Ferguson is entitled to offset the rebate amount with any past due account receivables of Company.
5. The Program does not automatically renew, but is subject to annual renewal by mutual agreement of the parties., Either party may terminate its participation in the Program with or without cause, up on thirty (30) days written notice to the other party.
